11 7/8" height range allows for sit to stand work heights. Adjustment is easy. Set your foot on the base and lift the surface. The mechanism automatically adjusts to the next level. To lower the surface, lift it to its highest level. It will release and slowly descent to the lowest position. No locks, no levers, no crands, no cylinders, no pins. The vertical mechanism is rated to hold over 1,000 pounds of static weight. Please note that there is up to 1" of rotational movement or "play" in the mechanism

October, 2007 Price List Corrections

pricing referenced below does not reflect any price increases

Most Important Corrections

	Pages
• Urethane Minimum charge for orders less than 10 tables - \$150 NET, special metal finish - \$150 NET, and special wood finish - \$150 NET	2
• Quick Ship bases now include Alto, Capri, Ferro, Narella and Rosanno (see program in this price list)	16
• Symphony produces tops with virtually any laminate. A number of these laminates however may incur an up-charge. This may include laminates from Formica, Pionite, Nevamar and Wilsonart. Wilsonart laminates are least likely to incur an up-charge. Please check with Symphony to verify laminate up-charges.	19
• Vinyl Knife edge VNKN & VPKN - discontinued	23, 28, 30, 31, 34, 36
• Spring Clip height adjustment option – correct overall table height range 24 ¾ - 30 ¾	54
• Mini Beni – Metal case available with Black or Silver finish (not aluminum)	67

Top and Top Option Corrections

• Crescent top #1 – 30” deep, 60” overall depth x 96” overall width (corner to corner) Crescent top #3 – 18” deep, 36” overall depth x 51” overall width (corner to corner) Crescent top #4 (not shown) – 36” deep, 72” overall depth x 108” overall width (corner to corner)	18
• Super Light Weight Top Option – \$240 up-charge for tops up to 72”, for larger tops contact Symphony	20
• Natural Maple and Wild Cherry vinyl edge finishes available with VNEA vs. VNBP edge	23
• Vinyl edge finish Cloud White – discontinued	23
• Round tops not available with PVFL edge profile (only available with VNFL edge profile)	28
• Drop leaf tops not available with VNEA or VNBP vinyl edges (only available with PVEA edge)	28
• Urethane Ergo edge profile URER available (not shown/listed) with round and square tops in first column	29
• Urethane Ergo edge profile URER available (not shown/listed) with rectangle tops in second column	32
• Wood edge profile WDBN incorrectly listed as “WCBN” under WDEA	32, 33
• PVC fluted edge PVFL not available with racetrack, boat & oval tops (only VNFL fluted vinyl edge available)	34, 36
• Grommet location GFCC (one front center) is standard location for one grommet and location GFC2 (one front left center & one front right center) is standard location for a two grommet top. All grommet locations – center point of grommet is 3 inches from edge and 3 inches from front.	39
• Lier Quick Connect Table Lock Set correct model number and price #OTGNGLQC \$60	40
• Clic Quick Connect Table Lock Set correct model number and price #OTGNGCQC \$120	40

Base and Base Option Corrections

• Kavi set of (3) 42 inch T bases - \$1,390 list	42
• Ria two column T base is 40 inches wide	42
• Arco set of (3) 26 inch T bases - \$750 list (Metal finish) and \$1,050 (Polished Chrome finish)	43
• Reto 36 inch bases are 2 column	44
• Ria Glide Extenders Set – available in Silver Metallic or Black finish	45, 56
• Dual Flip Nest option – only available with Ria bases	45, 53
• Integral Dual Flip Nest option – not available with Ria base	45, 53
• Integral Wire Management option – not available with Polished Chrome finish base	45, 53
• Ferro 36 x 36 inch X type base – model #BXFER42042, max top size 42” x 42” or 48” round	46
• Set of 4 Premium Silver/Black Casters correct model number and price - #OBX4CAPR \$100	48
• Ria Glide Extender Set (4) correct model number and price - #OBXRIA4GE \$120	48
• Amici base is available with bar height and footing options	49
• Flip Mechanism Set option does NOT include casters, while Dual Flip Nest option includes casters	53
• Pneumatic Ht Adj – more accurately described as gas assisted spring clip adjustable height option	54
• Arco foot – 2” diameter	58

Power/Data and Other Option or Accessory Corrections

• PowerSnap – links do NOT need to be connected in sequence	63
• Ravi PowerConnect - 4 power/3 data starter #OPCRAV4P3D1S \$620	67
• Ravi PowerConnect - 4 power/3 data add on unit #OPCRAV4P3D1A \$540	
• Ravi PowerFlex - 4 power/3 data starter #OPFRAV4P3D1S \$890	
• Ravi PowerFlex - 4 power/3 data single add on #OPFRAV4P3D1A \$620	
• Ravi PowerFlex - 4 power/3 data double add on #OPFRAV4P3D2A \$1220	
• Globo PowerPlug 2 power/2 data with 6 foot cord #OPPGLO2P2D06 \$160	68
