Note that at least a 24 x 30 top size is recommended for the [Una H Wheel Barrow series base](#) because the weight is 22 lbs. This base has a lift range from 22 lbs to 44 lbs (including the top). If the accessories or items that will be placed on the base weigh over 22 lbs then please email service@symphontables.com for assistance.

Additionally, if a smaller work surface than 24 x 30 is required then please email service@symphonytable.com for assistance to review options on how to add weight to a smaller top to meet the 22 lb minimum requirement.

The weight of the top and all accessories that will be used on the base shall be advised on the purchase order. If the weight is set wrong then it will cause the table to lift up too fast or not work at all. Contact service@symphonytables.com for assistance.

The Wheel Barrow base features 2 casters and 2 glides
