Model number comprised of 5 components
(# of characters for ea):
-base style (3) - **ZOE** (Zoey)
-top shape (2) - **SQ** (square)
-dimensions (4) - **6060** (60x60)
-base type/qty (3) - **C04** (C, qty 4)
-base version/ht (3) -
SDG (29" H, glides), or
SHG (42" H, glides)

- base style code (3) - **ZOE** (Zoey)
- top shape code (2) - **BM** (bullet media)
- base type & qty code (3) **C04** - (C base, qty 4)
- base version/ht. code (3) - **SDG** (29" glides) or **SHG** (42" glides)

Base Type/Qty Codes:
C - (2) Zoey, Ria, or Moto C bases (**C02**)
T - (2) Zoey, Ria, or Moto T bases (**T02**)
X - (1) Zoey, Ria or Moto X base (**X01**)
+ - bases inset from edge. Optional hardware or beams can allow bases to be located at ends at additional charge

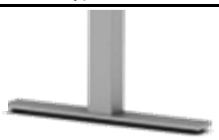
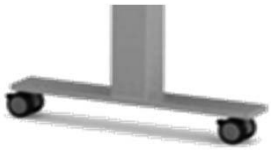
3" square column, 3" wide solid steel feet



Ratchet adj. 26" - 35.5"
13 positions in .78" increments
change height by manually lifting the top
resets to lowest postion when lifted to top

Crank adjustment:
base height 26" - 43.75"
infinite stop positions
handle slides under top when not in use
max lifting load 180 lbs for single column, 225 lbs for 2 columns (T base set)

Pneumatic (counter balance) adj.26" – 45.5"
no power needed
internal gas springs counterbalance the weight of the table for smooth, fast, quiet adjustment



For C base version, replace "BT" in model no with "BC" & add $60 list

Electric adj. 26" - 45.7"
- touch switch for infinite stop positions
- simple up-down keypad control
- premium keypad versions available - memory keys, height display, etc.
- Electric Motor adj. 21" - 47" meets ANSI/BIFMA

Moto metal (ME) finishes: Flat Black, Furniture White, Metallic Silver

For complete model number insert glide/caster selection: G glides, C casters, or P premium casters

Cova Mobile Media is cost effective collaborative media solution that quickly make any space a collaborative shared media meeting space. Place Cova on top of your table or cart. Plug the 15 amp source power cord into an outlet and plug the HDMI output cord into the monitor. Unit includes carrying case.

Symphony Media power/data solution allows 2-6 users to plug in and share a single screen, Connect laptops, iPads and other media sharing devices via VGA cables to any display you choose. Connections are kept hidden under the work surface . Switch media source by simply pressing the "share" button .
WayneMedia and Cova also available with White finish (**WW**) at same pricing
6 foot 15 amp cords standard (9 ft with Mini Vista + Cova).
10 foot 15 amp cord versions available - replace "6" in model number with "0" and add $10 list
(add $20 list for back-to-back and side-by-side units.
hardwired versions available with most modules - contact Symphony for details

wire management + accessories

shared media storage + wall

Collaborative Shared Media Tables
Symphony offers a vast selection of shapes, sizes, base styles, and heights.
Complete tables are listed on page 2-3. Additional collaborative media table solutons can be created by specifying surfaces and bases independently.
Collaborative Shared Media Power + Technology
Symphony offers 6 different shared media modules.
Each module is available with HDMI or VGA cables, 2/3/4 or 6 power plugs, a variety of data solutions, and a different finishes.
Lastra Media Base + Storage
Lastra Media base can be positioned under a top to serve as a base. The 72" high version can also be mounted to one end of the table top for support plus hold 1-2 monitors mounted above. All 72" versions include 1 VESA mount (60" wide version includes 2 VESA mounts). The 6 inch depth is designed to store and manage all your cables and wires as well as some equipment. The entire end of one or both sides can be specified with optional wire management access doors so that you can easily access or move any cables. To complete the wire management solution, we offer optional grommets, mouse holes, & wire management access doors.
If you do not see exactly what you need, just contact Symphony. In most cases we can provide the product and solution you are looking for.
